

Smart Start Training Calendar September –November 2019  
Special ERS Trainings

**Instructions:**

Advance payment is required. If paying with cash please bring the **exact amount** to the SSDC office. Checks should be written to SSDC. If a training states “pay the trainer” you still need to send in the registration form and pay trainer night of class. If your money is received after a workshop is full or if a workshop is cancelled you will be informed by phone; the rescheduled date will be given to you or you may choose another workshop. Smart Start of Davidson County **is not** responsible for registration forms or fees lost in the mail or not delivered on time. **Please remember your workshop location and time.** If you register and do not attend **no refund or credit** will be given. You will not be able to switch classes. Trainings fill up fast; so please turn in registration as soon as possible. **Doors are closed 15 minutes after start time.**

## Making the Environment Rating Scales come to LIFE in your CLASSROOM!

### ***Level I Environment Rating Scale ECERS-R***

**(Great for new teachers and those that may need more information than just how to score.)**

This hands on training will develop a better understanding of the Early Childhood Environment Rating Scales. Find out what you can do to get prepared for your assessment and maintain quality in your classroom. This training will cover certain subscales and item numbers. Lecture, hands on activities, group discussions, that explore how to best support high quality learning environment. Participants are encouraged to bring a copy of the spiral bound Early Childhood Environment Rating Scale Revised edition. Class is limited to 25 participants. Sign up Early ☺ 2 HRS. Trainers: \_\_\_\_\_

### ***Level II Environment Rating Scale ECERS-R***

**(If you are familiar with ERS but never been assessed by NCRLAP but still need more information)**

This hands on training will develop a better understanding of the Early Childhood Environment Rating Scales. Find out what you can do to get prepared for your assessment and maintain quality in your classroom. This training will cover certain subscales and item numbers. Lecture, hands on activities, group discussions, that explore how to best support high quality learning environment. Participants are encouraged to bring a copy of the spiral bound Early Childhood Environment Rating Scale Revised edition. Class is limited to 25 participants. Sign up Early ☺ 2 HRS.
