

**Training Topics = ALL TRAININGS BY ZOOM-  
Must have valid email and access to internet**

***Active participation during the live event is required to receive DCDEE credit for this training.  
A link to the training will be emailed to you the day of the training unless you will need to do pre-work before the training.***

**Leading the Way Implementing High Quality Infant Toddler Care** – What does high quality look like? In this training; we will discuss evidence-based practices and policies that support the this type of environment. We will reveal the benefits for children and the caregivers. **2hrs. Sandy Weaver, Infant/Toddler Specialist**

**Music: It's more than what you hear.** Music ignites all areas of child development and skills for school readiness, including intellectual, social-emotional, motor, language, and overall literacy. It helps the body and the mind work together. ... Dancing to music helps children build motor skills while allowing them to practice self-expression. Come join the fun to experience the benefits of a music enriched classroom. **2hrs. Alanna Hege and Vicki West**

**Getting to Know and How to Score - Environment Rating Scale ITERS-R / ECERS-R**

Come find out how to score the ERS and what is needed in each center. Great for new teachers who or those that need a refresher on how to score. **2 hrs. Gina Collins/Alanna Hege**

**ITS SIDS** -Meets DCDEE safe sleep training for teachers and/or administrators while working with infants. Participants will learn about best practices and receive information how to create a safe sleep policy, how to use waivers, hear updated research about SIDS, and local health and safety resources as well as learn what to do if you come upon an unresponsive infant and how to conduct drills. **2hrs. Chunda Teal or Sherry Brannon**

**Deep Breathing! A Connection to Calm** – this training is geared towards informing, assessing, and providing strategies to support the skill of deep breathing and making the connection to help children learn how to calm. Participants will assess their own responses and reactions in relation to deep breathing by creating an environment that naturally promotes this crucial skill to early social-emotional development. This training will provide you with the understanding of your relationship with yourself, your children, and your teaching team.

**2hrs. Renae Lingafelt-Beeker, Behavior Specialist**

**Reimaging Discipline** - Come RETHINK discipline and explore new ways to meet the ever-changing needs in childcare for today's generation. **2hrs Alanna Hege and Gina Collins**

**Exploring Social Emotional Development within the Context of Relationships:** Through supportive relationships; infants and toddlers develop a sense of trust, learn how to interact with others and how to eventually express empathy. Strong nurturing relationships are key to healthy development within the context of relationships. You will learn how to get in tune with children and this allows providers to offer responsive care.

**2hrs. Melinda McCullen, Infant/Toddler Specialist**

**ERS-ECERS-R – Questions and Answer Session;** send in your top questions and get them answered here in real time. Email [ginac@partnershipforchildren.org](mailto:ginac@partnershipforchildren.org) **2hrs Gina Collins**

**ERS-ITERS -R – Questions and Answer Session;** send in your top questions and get them answered here in real time. Email [alannah@partnershipforchildren.org](mailto:alannah@partnershipforchildren.org) **2hrs Alanna Hege**

**How are you? How am I?** – Emotional Literacy – the ability to identify, understand and respond to emotions in yourself and other in a healthy manner- is even more basic to school readiness. We'll examine the many benefits to children gain a strong foundation in emotional literacy, explore simple ways in which you can foster emotional literacy in your classroom. We will share some excellent resources for tools and activities teachers can incorporate into their daily classroom curriculum to make intentional teaching of emotions fun and easy.

**2hrs Cherie White, Behavior Specialist**

**PLAY:** Come Play with me! Play is the way children learn. Learn the value and purpose of play and how you can support learning and development of young children by providing carefully planned and supervised play experiences. This training will explain the importance of the teacher's role in supporting play. **2hrs. Gina Collins**

**Building Relationships** – Come find out the importance of building relationships and how crucial it is to everything you do with a child. **2hrs Vicki West**
