

**Training Topics = ALL TRAININGS BY ZOOM-
Must have valid email and access to internet**

Active participation during the live event is required to receive DCDEE credit for this training. A link to the training will be emailed to you the day of the training unless you will need to do pre-work before the training. You must leave on your camera at all times.

Leading the Way; Implementing High Quality Infant Toddler Care – What does high quality look like? In this training; we will discuss evidence-based practices and policies that support this type of environment. We will reveal the benefits for children and the caregivers. **2hrs. Sandy Weaver, Infant/Toddler Specialist**

Music: It's more than what you hear. Music ignites all areas of child development and skills for school readiness, including intellectual, social-emotional, motor, language, and overall literacy. It helps the body and the mind work together. ... Dancing to music helps children build motor skills while allowing them to practice self-expression. Come join the fun to experience the benefits of a music enriched classroom. **2hrs. Alanna Hege and Vicki West**

ITS SIDS -Meets DCDEE safe sleep training for teachers and/or administrators while working with infants. Participants will learn about best practices and receive information how to create a safe sleep policy, how to use waivers, hear updated research about SIDS, and local health and safety resources as well as learn what to do if you come upon an unresponsive infant and how to conduct drills. **2hrs. Chunda Teal or Sherry Brannon**

Playground Safety

This training provides up-to-date Playground Safety where childcare providers will not only be able to provide a safe outdoor learning environment for children, they will also be able to create an environment that meets the necessary requirements put in place by North Carolina. **4hrs Vicki West**

Developmentally Appropriate Behavior: But, I'm supposed to act like this! Children use many different kinds of behavior as they grow and test their skills. Some of these behaviors, although appropriate for their developmental age, are still very challenging for teachers. This session focuses on understanding when children can be expected to acquire certain social emotional skills and guides participants toward understanding, respecting and responding to developmentally appropriate behaviors. **2hrs Renae Beeker**

A Day in the Life of an Early Educator - come experience the everyday workings of a Child Care Classroom and learn how to be successful and have fun!! **Gina Collins .5 CEU's**
