Dear Parent/Guardian,

We are excited to announce the release of our online parent trainings for the **2021-2022** program year. We sincerely hope you will find these trainings to be beneficial in your growth and development as a parent. As a Smart Start of Davidson County (SSDC) Child Care Scholarship parent/guardian, **you are required to complete 1 (one) parent training per fiscal year by the required deadline.** This is an eligibility requirement of the program.

Please keep in mind the following information:

- As stated above, you are only required to complete ONE parent training per program year, no matter how many children you have on the program.
- This requirement should take no more than one hour to complete.
- The training requires a high-speed internet connection and can be completed on a smartphone or a computer.
- You are welcome to complete your training at the Smart Start office. Call 336-249-6688 to reserve a computer.
- **Your parent training quiz/evaluation must be completed and received by Smart Start of Davidson County on or before Tuesday, February 15, 2022.**
- **Failure to submit the quiz/evaluation by the 2/15/2022 deadline will result in termination from the program with the last date of payment to your child care provider on Tuesday, March 1, 2022.**
- **NO EXCEPTIONS will be made to the 2/15/2022 deadline due to the deadline being stated in your Child Care Scholarship contract. Any families not meeting the deadline are encouraged to reapply for the program on Wednesday, March 2, 2022.**
