

Online Training Policies

- Registration should be completed online (**Easier and Faster**). All registrants must have an individual email address. (see second page allows for other ways to register)
- Our goal is to have all/most of our trainings face to face.
- Trainings are limited; so please sign up early.
- Each registrant will receive an email containing a Zoom link with pre, post and evaluations by Eventbrite once registered. This link should not be shared with others. Individuals that are not registered will not be allowed to join online trainings. Download Zoom at <https://zoom.us/download>
- Registrants should log onto the training at least 10 -15 minutes before the online training begins. (if having problems contact the trainer by email or phone) This information will be in the introduction letter.
- Trainings should not be attended while working in the classroom, taking attention away from supervising young children. Teacher/Child ratio in the classroom should be maintained at all times. No Driving while attending trainings.
- If it is determined that participants are unable to fully participate in the training or become disruptive, participants will be removed from the training and will not receive credit.
- Participants are required to participate in discussions and activities during the training. You must have the capability to use a web camera, mute/unmute, and use the chat box throughout the training. (no exceptions)
- Participants must leave web camera on throughout the training. (no exceptions)
- To receive credit hours, participants must attend the entire training and complete all necessary surveys **within 48 hours (2 business days)**. Training certificates will be emailed within 1 week after training. Everyone must complete pre, post and evaluation for the training in order to receive a certificate. Homework must be turned in if applicable as well.
- Trainings should not be recorded and shown to other staff members at a later date.
- All trainings will begin on time and no refunds or credits will be given. If we reschedule a training; you will be notified of new training date and time.
- Participants who arrive more **than 15 minutes late for any** training are ineligible to receive training credit.

Reimagine Transitions- Transitions don't have to be the most difficult part of your day. We will learn how to teach social skills, build relationships and much more when reimagining transitions in the classroom.

Vicki West, 2 hours Face to Face Training

Creating Dynamic Lesson Plans for Preschoolers -Lesson Plans don't have to be repeats of overused topics. We will learn to individualize and enhance our lesson plans with a new perspective.

Vicki West 2 Hours Face to Face Training

ITS SIDS -Meets DCDEE safe sleep training for teachers and/or administrators while working with infants. Participants will learn about best practices and receive information how to create a safe sleep policy, how to use waivers, hear updated research about SIDS, and local health and safety resources as well as learn what to do if you come upon an unresponsive infant and how to conduct drills. **Chunda Teal or Sherry Brannon 2 Hours by Zoom**

Emergency Preparedness & Response in EC Setting - The Emergency Preparedness and Response (EPR) in Child Care Training provides early educators with information and tools to prepare for many types of emergencies. The EPR in Child Care Training addresses new NC Child Care Rules on emergency preparedness, current best practice recommendations, and guidance on completing the online EPR Plan. The EPR Plan template can be found on the North Carolina Emergency Management website. **Alanna Hege 2.5 Hours Face to Face Training**

Strategies for Challenging Behaviors- This workshop will focus on difficult behaviors in the classroom. Participants will have a chance to discuss the frustrating behaviors they face in their classroom, and explore techniques and resources for supporting social emotional development and addressing challenging behavior.

Cherie White, Behavior Specialist 2 hours face to face

What Does a Pyramid Have to Do with Challenging Behavior? -During this session, participants will gain a deeper understanding of the importance of healthy social emotional development in young children, factors that influence behaviors, and causes of challenging behaviors in young children. A variety of activities will help participants understand each component of the Pyramid Model and how it can be used to promote healthy social behaviors and prevent challenging behaviors in preschool classrooms. **Renae Beeker, Behavior Specialist 2 hours face to face**

Mindful Joy! - During this time of uncertainty and anxiety come learn mindful techniques to calm the brain and self-regulate with the children in your classroom. Come be mindful with me!

Gina Collins, 2 Hours Face to Face Training

Stepping Into Number Sense With Young Children Through a Magical World of Sidewalk Play - Join us in developing early number sense with young children in this fun creative training that teaches easy sidewalk or (ground) number sense strategies to help make early math knowledge a whole new adventure.

Alanna Hege, 2 Hours Face to Face Training

Playground Safety - Outdoor play encourages movement and physical activity that is stimulating for children's development and learning. The Playground safety training addresses playground safety hazards, playground supervision, maintenance, general upkeep of the outdoor area, and age and developmentally appropriate playground equipment. This training offers a practical and educational interpretation of the North Carolina Child Care Commission's playground safety rules and how to conduct a playground audit. Complete an inspection of your playground! Come learn how to make your playground safe for children. **(must attend both sessions to receive certificate)** **Vicki West 4 Hours by Zoom**
